

ELENI MOLTSANIDOU

D.V.M., M.Sc.

eleni_moltsanidou@imbb.forth.gr

EXPERIENCE:

1/3/2019 – currently:

Supervising Veterinarian

Foundation for Research and Technology - Hellas, Institute of Molecular Biology and Biotechnology, Animal House, Heraklion, Crete

<https://www.imbb.forth.gr/imbb-people/index.php/en/animal-house>

1/11/2016-28/3/2019:

Laboratory Animal Veterinarian

Biomedical Research Foundation of the Academy of Athens, Athens, Greece

www.bioacademy.gr

- Participating in the veterinary care programme.
- Involved in experimental protocols with mice, rats, rabbits and pigs.
- Anesthesia, analgesia, pre- and post-operative management in mice, rats, rabbits and pigs.
- Tissue sampling, blood and urine sampling, necropsy.
- Euthanasia

15/11/2017-22/3/2019:

Veterinarian

Attiko Animal Hospital, Athens, Greece

<https://www.attikovet.gr/portal/>

EDUCATION:

Doctor of Veterinary Medicine

Aristotle University of Thessaloniki

Thessaloniki, Greece

2016

Master in Molecular and Applied Physiology

National and Kapodistrian University of Athens

Athens, Greece

2019

COURSES:

FELASA accredited course, EU Functions A,B,C,D

National and Kapodistrian University of Athens

Athens, Greece

2017

Training School: "Principles and Procedures of Tissue Sampling and Biobanking Including Legal and Ethical Aspects"

COST - Sharing Advantages on Large Animal Models (SALAAM), Ludwig-Maximilians-Universität München

Munich, Germany

2017

CONFERENCES AND MEETINGS:

-2nd Meeting of Greek Laboratory Animal Welfare Committee, Thessaloniki, Greece, November 2019

-RSPCA Meeting Focus on Severe Suffering, Athens 10-11/10/2019

-14th FELASA Congress 2019, Prague, Czech Republic, June 2019

-1st Meeting of Greek Laboratory Animal Welfare Committee, Athens, Greece, March 2019

-14th Congress of Hellenic Veterinary Medicine Society, Thessaloniki, Greece, May 2018

-13th Congress of Hellenic Veterinary Medicine Society, Athens, Greece, May 2015

PRESENTATIONS (ORAL & POSTERS):

Poster: 12th FORTH Retreat, Patra, Greece, October 2019

Spontaneous breast adenomyoepithelioma in young female Sprague Dawley rats.

Eleni Moltsanidou, Marianna Stasinopoulou, Evaggelos Balafas and Nikolaos Kostomitsopoulos

Oral presentation: 14th FELASA Congress 2019, Prague, Czech Republic, June 2019

Do different caging systems affect the outcome of behavioural tests in c57bl/6j male mice?

Eleni Moltsanidou, Alexia Polissidis, Christina Dalla, Evaggelos Balafas, Paul Alexakos, Nikolaos Kostomitsopoulos

Oral presentations: 6th International Course - “Care and Use of Laboratory Animals: mice, rats and zebrafish”, EU functions A/B/C/D, FELASA, University of Crete, Heraklion, Greece, May-June 2019

- *Genetic standardization, Inbred strains;co-isogenic, congenic lines (L)*
- *Defining alternatives; the 3R principle of animal use (L)*

Poster: 14th Congress of Hellenic Veterinary Medicine Society, Thessaloniki, Greece, May 2018

The effects of carbon dioxide on rats corneal epithelium during euthanasia.

Eleni Moltsanidou, Marilita Moschou, Marianna Stasinopoulou, Evaggelos Balafas, Nikolaos Kostomitsopoulos

Oral presentation: Laboratory Animal Science, EU functions A/B/C/D for mice and rats, BRFAA, Athens, Greece, April 2018

Anesthesia and analgesia in laboratory rodents.

Oral presentation: Laboratory Animal Science, EU functions A/B/C/D for mice and rats, BRFAA, Athens, Greece, April 2018

Euthanasia in laboratory rodents.
