

CURRICULUM VITAE

Hara Roumpaki

Institute of Molecular Biology & Biotechnology (IMBB)
Foundation for Research & Technology (FORTH) - Heraklion 71110 - Greece
Email: roumpaki@imbb.forth.gr

BIOGRAPHIC DATA

Place - Date of Birth	Heraklion, Greece, 1973
Languages	Greek (native), English (fluent)
Marital Status	Married with one child

APPOINTMENTS

2012-present	Animal Facility, FORTH-IMBB
2008 – 2012	Pest & Disease Control Lab, FORTH-IMBB
2006 – 2008	Post-genomics Lab, FORTH-IMBB
2001 – 2006	Animal Facility, FORTH-IMBB
1999 – 2001	Animal Facility, Medical School, University of Crete

ACADEMIC EDUCATION

1997 – 1998	Delft Institute for Higher Professional Education in Nature, Agriculture, Food and Management Masters in Animal Husbandry and Production
1993 – 1997	Technological Institute of Western Macedonia Bachelor in Animal Production
2017	FELASA FUNCTIONS A,B,C,D 46 CME-CPD
2018	MRC Harwell Institute, Mouse embryo and spermatozoa cryopreservation course, 10 CPD

TECHNICAL-SCIENTIFIC EXPERTISE

- Molecular/Cell Biology Techniques
- Chimera mouse production by blastocyst injection
- Micro-injections for in-vivo fertilization/production of transgenic and knockout strains
- Embryo transfer
- Sperm/embryo freezing
- In vitro fertilization
- Breeding and maintenance of mice
- Tailing of offsprings for genotyping
- Controlled matings (plugs) for supplying embryos
- Supply of common mouse strains (C57BL/6 ,/10 , CBA/ca , Balb/c)
- Supply of different transgenic or knockout lines
- Intravenous injections
- Administering anesthesia and drugs

INTERNATIONAL MEETINGS - TUTORING/TRAINING EXPERIENCE

- Lab tutor in the 4th international lab animal course (FELASA accredited), Heraklion 2017.
- Lab tutor in the 3rd international lab animal course (FELASA accredited), Heraklion 2016.
- Training in the group of Prof. K. Matuschewski, Department of Parasitology, Heidelberg University School of Medicine, 2008. **Learned experimental techniques on plasmodium falciparum merozoite.**
- Nano2Life Meeting, Brussels 2008.
- ACGT Meeting, Milan 2007.
- ACGT Meeting, Milan 2006.
- Project meeting, Lab-on-chip based protein profiling for Cancer diagnosis, Madrid 2006.
- Project meeting, Lab-on-chip based protein profiling for Cancer diagnosis, Grenoble 2005.

MANAGEMENT EXPERIENCE

- Conference organization, Nano2Life Meeting, June 2008, Heraklion.
- Management and Scientific Reporting of EU-funded projects
