management system and innovative
communication tool, for improving the
impact of malaria vector control
interventions

DMC-MALVEC

IMBB-P.N.: 9525
30/5/2017

According to the Grant Agreement for H2020-ICT 2015-GA688207-DMC MALVEC, we have posted the advertisement for one (1) Part time Research Technician Position in life sciences at the J. Vontas laboratory. The text for the open positions posts has been published on May 16, 2017 (IMBB P.N. 9490/16-5-2017) at the website of the Institute of Molecular Biology and Biotechnology-FORTH (http://www.imbb.forth.gr/jobs/160517_Vontas.pdf), the EURAXESS portal and the DIAYGEIA System ADA: 6P8K469HKY-66E.

The desired qualifications of the applicants involved degree in Biology/Molecular Biology/Biochemistry; Experience in working in insectary/greenhouse and handling biological samples; Experience in organizing data and results and preparing reports and deliverables; Proven record of writing manuscripts and reports, ability to collaborate in a team; Excellent knowledge of English and good knowledge of Greek.

Three applications were submitted to the Principal Investigator (PI) in charge i.e. John Vontas in response to the advertised position (Ref # OPZ-0042).

Dr. John Vontas, Dr. Kriton Kalantidis and Dr. Michael Kokkinidis are the aforementioned scientists in charge on behalf of FORTH that consist the evaluation committee for the selection of postdoctoral scientists. The committee convened on March 30, 2017 and evaluated the applications that have been submitted for the open call regarding the position offered in the laboratory of Professor John Vontas. The committee decided to offer the job to Dr. Konstantina Katsarou.

The selection was made on the basis of the education background of the applicant, her prior expertise and relevance in terms of their scientific focus to the DMC MALVEC program aims and her publication record.

The applicant have been accordingly informed about the outcome of the evaluation process and she was invited to sign a contract with IMBB-FORTH.

Heraklion, March 30, 2017

The selection committee:

John Vontas

Kriton Kalantidis

Michael Kokkinidis
