One (1) PhD Student Position

[Ref # PAR-0815]

The research group of Panayotis Verginis under the research collaboration with Regeneron Genetics Center LLC USA in the program, entitled “WES of autoimmune disease cohorts in the Greek population” (Program Coordinator Prof. George Bertisias) invites applications for one (1) motivated PhD student to assist with the experiments regarding the handling of autoimmune patient samples and genomic analysis.

About the lab

The Immune regulation laboratory have extensive expertise in translational immunology focusing on patients with autoimmune disease and cancer.

About the project:

Collection of saliva samples from patients with autoimmune disease for genomic analysis

Job Description:

Isolation and analysis of samples from patients with autoimmune disease for genomic analysis

Required qualifications:

- BSc in Biology
- MSc in Molecular Biology and Immunology with emphasis in human diseases
- Must be an PhD student currently enrolled at a Greek University in a relevant field
- Oral and written skills in English language
- More than 3 years' experience with Immunology techniques and human specimen handling

Desired qualifications:

- Knowledge of Transcriptomic analysis (via courses/certifications)

	Evaluation criteria	Maximum score
1.	B.Sc. degree grade (Score points = grade x 2)	20
2.	M.S. degree grade (Score points = grade x 2)	20
3.	Enrollment in a PhD program at a Greek University in a relevant field	YES/NO
4.	Relevant laboratory experience (6-12 months = 5 points, 12-24 months = 15 points, 24-36 months = 20 points, >36 months = 40 points)	40
5.	Oral and written skills in the English language (B1 = 5 points, B2 = 10 points, C1 = 15 points, C2 = 20 points)	20
6.	Knowledge of Transcriptomic analysis (via courses/certifications)	YES/NO
Total score		100

Contract Duration: 12 months with the possibility of extension according to the project needs

Total budget: Per National legislation and experience

Envisaged starting date: 01/12/2025

Nikolaou Plastira 100
Vassilika Vouton
GR 700 13 Heraklion
Crete, Greece
Tel. +30 2810391700

Application submission: Interested applicants should submit their application electronically by **October 26, 2025**

The application should consist of:

1. Application Form (see below)
2. CV
3. Brief statement of purpose
4. The names and contact details of two referees
5. Scanned copies of academic titles
6. Scanned copies proving all the qualifications
7. Certificate of Enrollment in a PhD Program at a Greek University

Submission of applications: par0814@imbb.forth.gr

Evaluation procedure

Applications will be evaluated by a three-member evaluation committee. In case of interview procedure, applicants will be invited to participate in person or teleconference.

In case of titles and qualifications awarded by foreign Higher Education Institutions, the provisions of the Law 55/2023 (article 36) and 4957/2022 (article 304) are implemented.

The results of the selection will be announced on the website of IMBB-FORTH. Applicants have the right to appeal the selection decision, by addressing their written objection to the IMBB secretariat within five days since the results announcement on the web. Objections are submitted in one of the following ways: in person, by an authorized person, by post, by courier. They also have the right to access (a) the files of the applicants as well as (b) the table of applicants' scores (ranking of applicants results). All the above information related to the selection procedure will be available at the secretariat of IMBB-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co- applicants shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the applicants for the specific post(s). Prior to the announcement of the personal data and/or documents of the co- applicants to the applicant, FORTH will inform the data subjects in an appropriate way.

The selected applicants will be notified personally regarding the success of his/her application and will be requested to submit certified copies of his/her degrees. If the submitted documents do not agree with the original application, the applicant will be dismissed.

Throughout the duration of the project, and if there is a need to replace persons selected in accordance with this Call, the replacement will be carried out by selecting - based on score/point allocation - another candidate(s) from the compiled ranking list.

In the event that for any reason the funding provided for the project is interrupted, FORTH-IMBB reserves the right to interrupt the execution of the contract with a special declaration of interruption and without compensation.

FORTH-IMBB does not undertake any commitment to conclude a contract and is entitled to cancel or repeat the procedure without obligation to pay any compensation, excluding any relevant claim by the candidates.

Participation in this call for expressions of interest implies full acceptance of the terms of this.

GDPR Disclaimer

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data. FORTH processes the personal data and relevant supporting documents that applicants have submitted. Processing

of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. Under the Regulation EU/2016/679, applicants have the rights to be informed about their personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. Applicants have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of personal data protection rights, applicants may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

Applicants have the right to withdraw their application and consent for the processing of personal data at any time. In this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
