

One (1) Postdoctoral Researcher Position

[Ref # ORZ-0851]

The research group of Neurogenetics and Aging of IMBB under in the of the R&D project Excellence Hubs, CHAngeing - Connected Hubs in Ageing: Healthy Living to Protect Cerebrovascular Function (reference: GA: 101087071), financed by European Commission through the Horizon Europe Program, invites applications for one (1) postdoctoral position.

Job Description: Study of anti-aging metabolic regulators for the prevention of cerebrovascular disease

Qualifications: Successful applicants should hold a BSc in Biology, and PhD in Biology, Biomedicine, or related fields, and have extensive documented experience in molecular biology techniques. They should also have expertise in *C. elegans* genetics, neurodegeneration and autophagy, as well as super resolution microscopy techniques. Expertise in chemogenetics and glial cells will be highly valued. Additionally, applicants should demonstrate excellent scientific writing skills, have a strong publication record in relevant peer-reviewed journals, and possess fluency in English.

Applicants for the post will be selected on the basis of the following criteria:

	Evaluation criteria	Maximum points
1.	BSc degree in Biology (Grade x 1 points)	10
2.	PhD thesis in Biology/Biomedicine or related fields	YES/NO
3.	Extensive documented experience in molecular biology techniques (1- 5 years= 5 points, >5 years = 10 points)	10
4.	Documented experience in <i>C. elegans</i> genetics (1-3 years = 5 points, >3 years= 10 points)	10
5.	Documented experience in chemogenetics (5 points) and glial cells (5 points)	10
6.	Documented experience in autophagy (5 points) and neurodegeneration (5 points)	10
7.	Documented experience in super-resolution microscopy techniques (1-2 years = 5 points, >2 years = 10 points)	10
8.	Scientific publications (1-15 publications = 5 points, >15 publications = 10 points)	10
9.	Oral and written skills in English (B1/ B2: 5 points, C1/ C2: 10 points)	10
10.	Interview* (by videoconference, for the shortlisted candidates> 60/75 points)	20
TOTAL		100

The shortlisted applicants will be invited for an interview. The evaluation criteria for the interview are:

- Perception - Judgement,
- Presentation skills,
- Communications skills

Funded by
the European Union

Nikolaou Plastira 100
 Vassilika Vouton
 GR 700 13 Heraklion
 Crete, Greece
 Tel. +30 2810391700

Contract Duration: 6 months, renewable based on the program's needs.

Total budget: The salary is at postdoctoral associate level, and adjusted in accordance with the provisions of the Greek legislation and candidate's qualifications.

Estimated starting date: January 1, 2026

Application submission: Interested applicants should submit their application electronically by **December 01, 2025**

The application should consist of:

1. Application Form (see below)
2. Brief statement of purpose
3. Detailed curriculum vitae (CV)
4. The names and contact details of two referees
5. Scanned copies of all academic titles
6. Scanned copies proving all the qualifications

Submission of applications: orz0851@imbb.forth.gr

Evaluation procedure

Applications will be evaluated by a three-member evaluation committee. In case of interview procedure, applicants will be invited to participate in person or teleconference.

In case of titles and qualifications awarded by foreign Higher Education Institutions, the provisions of the Law 55/2023 (article 36) and 4957/2022 (article 304) are implemented.

The results of the selection will be announced on the website of IMBB-FORTH. Applicants have the right to appeal the selection decision, by addressing their written objection to the IMBB secretariat within five days since the results announcement on the web. Objections are submitted in one of the following ways: in person, by an authorized person, by post, by courier. They also have the right to access (a) the files of the applicants as well as (b) the table of applicants' scores (ranking of applicants results). All the above information related to the selection procedure will be available at the secretariat of IMBB-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co- applicants shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the applicants for the specific post(s). Prior to the announcement of the personal data and/or documents of the co- applicants to the applicant, FORTH will inform the data subjects in an appropriate way.

The selected applicants will be notified personally regarding the success of his/her application and will be requested to submit certified copies of his/her degrees. If the submitted documents do not agree with the original application, the applicant will be dismissed.

Throughout the duration of the project, and if there is a need to replace persons selected in accordance with this Call, the replacement will be carried out by selecting - based on score/point allocation - another candidate(s) from the compiled ranking list.

In the event that for any reason the funding provided for the project is interrupted, FORTH-IMBB reserves the right to interrupt the execution of the contract with a special declaration of interruption and without compensation.

FORTH-IMBB does not undertake any commitment to conclude a contract and is entitled to cancel or repeat the procedure without obligation to pay any compensation, excluding any relevant claim by the candidates.

Participation in this call for expressions of interest implies full acceptance of the terms of this.

GDPR Disclaimer

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data. FORTH processes the personal data and relevant supporting documents that applicants have submitted. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. Under the Regulation EU/2016/679, applicants have the rights to be informed about their personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. Applicants have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of personal data protection rights, applicants may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

Applicants have the right to withdraw their application and consent for the processing of personal data at any time. In this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
