

40 years IMBB Alumni Community Reunion October 20

The 40 years celebration of IMBB and the First IMBB Alumni Community Reunion successfully took place on October 20. An enthusiastic audience of more than 100 alumni on site as well as another 50 on zoom together with present members of IMBB listened to scientific talks as well as personal memories from IMBB alumni. A poster session gave everyone the opportunity to present their work, whether in the academic or private sector. In the evening we all gathered for dinner and dancing with our special DJ playing. More photos and posters from the event are available on the Alumni Community [webpage](#).
