## ANNOUNCEMENT

### **University of Crete professors Dr Christos Tsatsanis, Dr George Bertsias, Dr Prodrimos Sidiropoulos and Dr Panagiotis Moschou joined IMBB as Collaborating University Faculty Members**

We are pleased to announce that the Governing Council of FORTH, in its December 2018 meeting, following the recommendations of the Scientific Council and the Scientific Advisory Committee (SAC-IMBB) of the Institute, approved the appointments of Christos Tsatsanis (Professor of Clinical Biochemistry), George Bertsias (Ass. Professor of Clinical Immunology), Prodrimos Sidiropoulos (Ass. Professor of Rheumatology) and Panagiotis Moschou (Ass. Professor of Plant Biology) as Collaborating University Faculty members.

The Director and the Scientific Council of IMBB express their faith in the new groups in helping IMBB in its mission to pursue and promote scientific excellence.
